If I leave here tomorrow,
Will you still remember me?
I must be traveling on now,
'Cause there's too many places
I have to see.

If I stay here with you now,
Things just wouldn't be the same:
For I'm as free as a bird now,
And this bird you cannot change.

Each new experience we meet

Each fragment of knowledge we gather

Is the path to our success

And the key to our freedom

DEDICATION

Through twelve long and hard years you have guided us. We often argued and rebelled, but your never ending love and understanding helped us to reach this first milestone, graduation. Now, preparing to enter the next stage of life, we hope your support will continue as we grow and mature. As the tree must have strong roots, as the house is built on a firm base, so through all the successes, disappointments, and joys of life we have depended on you, our parents. The Tiot staff and class of 1980 are pleased to dedicate this yearbook to our parents.

Each Day Brings a Chance to Do Better

How often we wish for another chance to make a fresh beginning. A chance to blot out our mistakes and change failure into winning — And it does not take a special time to make a brand-new start, It only takes the deep desire to try with all our heart To live a little better and to always be forgiving And to add a little "sunshine" to the world in which we're living — So never give up in despair and think that you are through, For there's always a tomorrow and a chance to start anew.

BAY STATE LEAGUE CHAMPIONS

The 1979 Mustangs, under the direction of tri-capts. M. Brown, T. Murphy, J. Bandanza, and Head Coach John Doherty, captured the challenging Bay State League Title. The Mustangs, tripping up only once to a chippy Needham team, finished with 9 wins, 1 loss overall. At the highest point in their season, NHS defeated highly ranked Natick to send them on their way to the title.

As they do every year, the team prepared long and hard for their exhausting schedule. After a week of practice at Enfield, N.H., the Mustangs were ready for anyone!

The Junior Varsity and Sophomore teams both completed their seasons undefeated in B.S.L. play, making an almost unblemished record. The Team wishes to thank all of their coaches.

CHEERLEADERS

The cheerleaders continued to be a vital part of "the spirit of the Mustangs." Through their enthusiasm and dedication, they succeeded in adding color, zest, and spirit, on and off the field, to our school teams and activities. Led by Co-Captains Anne Nolan and Darlene Glazier, the squad's many activities included camp at Colby College, car washes, toilet papering, and entrance into the Bay State League Competition in November. After losing eleven seniors from last year's team, the girls' soccer squad spent the season rebuilding. Although the girls didn't have a winning record, they still played each game as though they were in first place. Led by Co-Captains Lisa Troiani, who was chosen Bay State League All-Star, and Beth Morrisey, who was leading scorer until sidelined with a broken leg midway through the season, the team enjoyed their year under the coaching of Mr. Kevin Murphy. The departing seniors wish the sophomores and juniors the best of luck and success next year.

TOURNAMENT TEAM FOR COACH BURT

The 1979 Field Hockey Team has got to be the best team since Coach Burt began coaching. Led by captains Maureen Driscoll and Sue Packard, the team beat previously unbeaten Walpole in the second half of the season. Also, beating Needhan insured the girls a definite spot in the E-Mass Tourney. The girls encountered a loss in the second game against Silver Lake Regional in overtime. Next fall should be another winning season for N.H.S.

High scorers of the season included senior Janet Moses, co-captains Nora-Jo Lydon and Christine Greenwood, Maura Connolly, and Joan Carberry. Most of the team will be returning next year, as it is composed mostly of sophomores and juniors. With this year's experience, next year should be a successful one for the team.

The N.H.S. golf team had an extremely successful season, finishing the year with an 11-3 record. The three losses came against Needham, Braintree, and league champion Wellesley. Norwood finished third in the Boys State League, missing the team state tournament by one match. This year's team was led by junior Mike Curley, who was the M.V.P. and a B.S.L. all-star. Other juniors were Ted Kelly, Dave Chenard, and Sean Healy, Sophomores Dale Manchester and John Kelliher added unexpected strength to this year's team. Although having many underclassmen, the team's backbone was its seniors. Bill Cirio, Steve Phalen, and Paul Troilo led the team to many victories.

BOYS' BASKETBALL TEAM FINISHES A STRUGGLING SEASON

The Varsity Basketball team finished its season with a record of 4-14. Although this may seem discouraging, it proved to be a building season for the Mustangs. This year Coach Johnson placed Juniors Don Whitney, John Doherty, Jim Stapleton, and Mike Conti into the starting position with hopes for a growing year. Thanks to the Seniors who worked so hard during the season, especially the "Bomb" squad: John Barnes, Dale Lawrence, John Woodard, Tim Cleary, and Tom Redznak. Congratulations to John Barnes for winning the team's one-on-one competition, and to Mike Conti, John Barnes, Fred Page, and John Denietolis for winning the three-on-three league.

NORWOOD WRESTLERS COMPLETE SUCCESSFUL SEASON

The 1979-1980 Mustang grapplers attained an enviable record of 13-3 and captured the second place slot in the B.S.L. The squad's success was the result of great effort and spirit on the part of each wrestler, and the coaching of Mr. Miles Durkin. Several members of the team went on to individual honors: Nick Triantifell and Paul Sullivan went on to capture second in Sectionals. Harry Ward and John "Bowser" Kenny captured first in the sectionals and fourth in the state meet.

Best Wishes
to
the Class
from
Your Editors

Senior is when . . .

The end signifies the beginning .

Animal House is only a year away

You suffer from acute "senioritis" after second term

You run home every day to check the mail

Sophomores and Juniors eat their hearts out when you get

out on May 15

You constantly pray for a snowstorm

You learn the school code and your social security number

by heart

You learn the hard way that cramming for SAT and Achievement

tests doesn't help

Your guidance counselor becomes a familiar sight

You get writer's cramp from writing out fifty senior pictures

Counting weeks on the calendar becomes a habit

Your bedroom needs to be redone, but why bother? You'll

only be home for a little while longer

You are convinced that no one else has suffered as much

as you have

The last football game brings tears to your eyes

You look back on the memories and look forward to the new

Graduation means no more . . .

Detention

"Please come to the office" calls

Senior hall

Cafeteria lunches

Air-conditioned winters and heated summers

"Would the owner of a green Toyota License registration . . .

Walking up the hill in 0 degree weather at 7:30 in the morning

Hurrying to catch the bus

Worrying about being tardy or skipping class

Blue bench

Class meetings

Lectures from "Those in command"

Kids we've known since age five

Prom at the Chateau

Blue and White jackets

Viewing the world from the front steps

"But why can't we sit out front?"
